Care for Europe Erasmus+ Project

Multiplier Dissemination Event

Friday 3th June 2022

09.30-17.00hrs

Campus Cappont, University of Lleida

We cordially invite you to the dissemination event of the Care for Europe Erasmus+ Project which involves four higher education institutions from four European countries: IRFSS AuRA in France, University of Pécs in Hungary, University of Lleida in Spain and Laurea University of Applied Sciences in Finland.

The aim of this project is to internationalise nursing courses through a better integration of incoming nursing students during their clinical placements.

The event will provide an overview of the project and will be an opportunity to discuss topics related to nursing education and its internationalization. We will share with you the film as the first finished intellectual output of the project. In addition, afternoon workshops will be an opportunity to collect participant's feedback on the MOOC and introduce the Care For Europe film.

Please confirm here your participation before 23th May

Your data will be processed by the University of Lleida as data controller, to organize and accredit assistance in accordance with Regulation (EU) 2016/679 of the European Parliament and of the Council, of April 27, 2016, regarding the protection of people regarding the processing of personal data and the free circulation of these data and which respects Directive 95/46/EC (General Data Protection Regulation or RGPD, which can be consulted from this link) and Organic Law 3/2018, of December 5, on the protection of personal data and guarantee of digital rights.
